Wake Christian Academy

# What is the Annual Fund?

The Annual Fund is an opportunity for families, friends, alumni, staff, and board members to contribute a one-time or monthly gift to Wake Christian Academy to advance the academic resources and improve the facilities of our school.

# Why does WCA need the Annual Fund?

Wake Christian Academy relies on charitable giving to grow. School tuition maintains current curriculum, staffing, and facilities, but it does not generally cover expanding school resources.

Is it really an effective way to raise funds?

Since 2010 the Wake Christian Academy family  
has invested

**\$563,266.82**

in the advancement of our school through the  
Annual Fund.

# Why don't we sell products to raise the funds ?

Traditional product sales...

Negatively impacts the academic days during  
the period of the sale

Encourages parents and students to sell door  
to door

## How efficient is the Annual Fund?

To raise **\$563,266.82** through product sales, the Wake Christian Academy family would have to sell over ...

Why are they inefficient ?

**\$1,400,000**  
**in products**

Product sales net less than 40 % for the school.
