WAKE
CHRISTIAN ACADEMY

Our Program Policies

Who We Are

WCA Summer Programs is a ministry of Wake Christian Academy. We strive to provide a specialized summer program for students grades K-12. With full-day and half-day sessions, families can pick and choose the camps that best fit their student's interests and needs.

Philosophy

It is our mission to provide each child with a caring and fun atmosphere designed to help them grow physically, socially, and spiritually. Our recreational and enrichment camps are a great option for children of parents who need summer childcare within our school and community. It is our hope that through our summer programs, students will increase their knowledge and love for the activities they have participated in, whether it be a sport, technical skill, or recreation.

Facilities

Our campus is home to excellent equipment and facilities for a variety of recreational and enrichment activities. These are used in a positive manner to encourage children to actively participate in a well-rounded program. Our facilities include athletic fields, a well-equipped gymnasium, inviting playgrounds, computer labs, a kitchen, and a library.

Cancellation Policy

Refunds for cancellations will only be available up to two weeks before the starting day of camp. A \$25 cancellation fee will be charged for refunds. Within two weeks of the start date, no refunds will be processed and registration fees will be forfeited.

Discipline Procedures

The staff of WCA Summer Programs are committed to providing students a safe, loving, Biblically-based environment to learn and play. An essential part of establishing this environment lies in reinforcing Christian ethics and moral values through appropriate disciplinary actions. As a result, we have established the following steps to be followed in the event of disciplinary issues*:

1. The camper may be asked to step out of the room or away from the group for a time to settle down. This time will be supervised by a summer staff member. The camper may return to the group if the issue has been resolved.
2. If disciplinary issues continue and the camper has been excused from the room or group more than three times during a camp session, they will be required to sit with camp administrative staff for a period of time. After speaking with administrative staff, they may return to the group.
3. Any disciplinary issues that arise after several excuses from the group and time with a camp administrator, will result in notification of the behavior by phone call, and camper may be dismissed from camp for the day.

*A disciplinary issue constitutes actions such as inappropriate speech, disrespect to other campers or camp staff, physical harm to other students or staff, and harm to themselves.

Frequently Asked Questions

1. Are your camps open to the community or just for WCA students?

WCA Summer Programs are open to students as well as children in our community. Friends are welcome!

2. How do I "build" my child's camp week?

Campers have three options: they may choose to attend the full-day session, half-day sessions, or the full-day session with a breakout camp selected. If a camper chooses the full-day session with a breakout camp, campers will choose one morning or afternoon camp to participate in for a short period of time each day. Field trips are scheduled for full-day camps and may interfere with this at times. We do offer Before and After Care for all campers, as well as Lunch Buddies. You can register for these sessions when registering for camps!

3. What if I need childcare before my child's camp starts or after their camp is over?

WCA offers Before and After Care during our Summer Camps, where students will have games and activities to participate in until their camp begins or after it ends. You can register your child for Before and After Care when registering for your camps!

4. What if I can't pick my child up for lunch in between their morning and afternoon sessions?

No problem! Just register your camper for Lunch Buddies at no additional charge, and they will be supervised during our one hour break. Campers must bring their own lunch.

5. Who will be leading my student's camp?

Our summer camps are led by some of WCA's wonderful teachers and staff, along with alumni! Because each camp is specialized, we have different leaders for each type of camp. To find out who will be leading your student's camp, be sure to visit our website and stay tuned to our social media pages for Summer Staff Features!

5. What is included in the camp fee?

You will notice that fees vary depending on the camp. With all camps, your fee covers the cost of any supplies your camper will need, along with any trips they may go on throughout the week. It may also include snacks, drinks, or other special treats.

6. Do you offer any discounts or special offers for camps?

Yes! If you register your student for a morning and afternoon camp session, you receive morning or after care for no fee! *Just complete the registration for camps and we will contact you with a link to choose before or after care for your camper.*

7. What happens if there are not enough campers registered to hold the camp?

In the event that a camp lacks the number of registrants to hold the session, we will send out an email to notify you of the camp closing. You will receive this email well in advance to allow time to make changes. You will then be able to move your child's registration to a different camp during the same week and time. You will receive this email well in advance to allow for time to make changes. For June camps, registration must reach the requirement by May 17th. For July camps, registration must reach the requirement by June 17th.

8. Do you accommodate campers with special needs?

If your camper has a special medical need, please contact us prior to registration to see if WCA Programs would be a good fit for your camper.

WEEK 1 - JUNE 01-05

Full Day Session

Galactic Adventures (1st-5th grade) - junior counselors (6th-7th grade)

We're blasting off into space to explore the galaxies and beyond! Throughout the week, campers will participate in activities, games, and crafts teaching us about what orbits our solar system and what is beyond. Scripture tells us that God created the heavens, the earth and everything in it! He numbered the stars and knows them by name. This week, we will talk about how big our God is and how awesome it is that a creator that powerful spends time with us! We will board Shuttle 412 and travel to the Morehead Planetarium and Galaxy Fun Park.

Cost: \$150.00

What to bring: Water bottle and packed lunch each day. Two snacks will be provided each day. Tennis shoes are highly suggested. Camp t-shirt included.

Morning - 9:00-12:00

Art Skills Camp (K-5th grade)

Picasso, van Gogh, Monet and more! Join us for a week of art-filled fun as we take a look at some of history's most famous artists. Replicate some of the world's most famous paintings on your own, and create some of your own masterpieces, as we learn about textures, colors, mediums, and other art techniques. Campers will make an art portfolio to transport their work and take home at the end of the week.

Cost: \$100.00

What to bring: Water bottle and a snack each day. "Play" clothes are a great idea, as we will be using paints and other potentially messy materials

Beginner Volleyball Skills (2nd-6th grade)

Our WCA Coaches and varsity volleyball players are excited to lead this developmental camp for girls. This camp will focus on basic techniques of passing, serving, setting, and attacking and developing an improved technique in each area. Basic rules of the game and offensive and defensive roles will be covered. There will be multiple individual and team competitions with games and special prizes awarded for various activities during the week. This camp will be a fun and positive environment for everyone and a great opportunity to learn more about volleyball. Campers will be placed in age and skill-appropriate groups during play and instruction times.

STEAM Engineers (3rd-6th grade)

You've been given popsicle sticks, straws, rubber bands and a little tape - what are you gonna make?! In STEAM Engineers Camp, we will combine the fun of science, technology, engineering, art, and math to create some seriously awesome projects! Join us for a week of building and learning about concepts such as force and motion, velocity and gravity. We'll help answer questions like, "What makes a wheel turn?" and, "How do rockets get into space?". Grab your thinking caps and join us!

Cost: \$105.00

What to bring: Water bottle and snack

Cupcake Battle! (2nd-5th grade)

It's on! Do you think you have what it takes to make the most delicious cupcakes?? Come to camp this week and tryout the best recipes and see what the judges have to say. Be prepared -- some days we may have some pretty wacky ingredients you must use in your daily challenge. But don't worry, you'll finish each session with some yummy cupcakes to eat or take home!

Cost: \$105.00

What to bring: Water bottle and snack. It is also suggested that campers wear "play clothes" as we may get a little messy!

Storybook Adventures (Rising K)

Pete the Cat, The Pout Pout Fish, and Dr. Seuss will all join our campers this week as we take a trip through storybook classics! This camp, designed for incoming WCA Kindergarten students, will offer games, crafts, and other activities centered around a different storybook each day. Campers may dress-up as a character from the book theme for the day. On Friday, we will have a Storybook Ball where campers can dress-up as ANY character from their favorite book! We hope you will join us for a fun adventure into the world of WCA with some of our favorite storybook characters.

Color Wars (1st-5th grade) - junior counselors (6th-7th grade)

The WCA Color War is ON! Throughout the week, the Yellow and Blue teams will compete against each other in a series of challenges, games, and activities to see who will come out on top! Campers will complete tasks, working as a team, to see who will win the Golden Bulldog. Our teams will travel to Buffaloe Lanes for a friendly bowling competition and pizza lunch, then we will take our competition to new heights at Tree Runner Adventure Park!

Cost: \$190.00

What to bring: water bottle and packed lunch each day. Two snacks will be provided each day. Tennis shoes are highly suggested. Camp t-shirt included.

Morning - 9:00-12:00

Spectacular Desserts (1st-5th)

Desserts are spectacular! This week, we will make some delectable desserts to enjoy. From basic brownies, to specialty cakes, we will be making a variety of delectable desserts to enjoy! Campers can also share their own recipes to make together! Campers will take home cookbooks at the end of the week to share with family and friends.

Cost: \$105.00

What to bring: water bottle and snack if desired - "play" clothes are suggested as we will be working with some potentially messy materials

All Sports (5th-8th grade)

All Sports camp is just like it sounds; we play ALL the sports! Join us this week for outdoor games, frisbee golf, rock climbing and much more! Campers will learn skills needed to play each sport in this mini-lesson style camp. Whether your child is a beginner or has been playing their whole life, this camp is for them! All players, all levels, all sports!

Cost: \$105.00

What to bring: Water bottle and snack, sunscreen before arriving.

Storybook Adventures (Rising K)

Pete the Cat, The Pout Pout Fish, and Dr. Seuss will all join our campers this week as we take a trip through storybook classics! This camp, designed for incoming WCA Kindergarten students, will offer games, crafts, and other activities centered around a different storybook each day. Campers may dress-up as a character from the book theme for the day. On Friday, we will have a Storybook Ball where campers can dress-up as ANY character from their favorite book! We hope you will join us for a fun adventure into the world of WCA with some of our favorite storybook characters.

Cost: \$95.00

Basics of Photography (3-8)

Join photographer and WCA alumni, Kevin Silva this week as we discover all that there is to know about the camera! We'll talk about how each part works, terms photographers use, and practice taking some of our own photos. Campers will learn about portrait photography, nature photography, sports photography, and more.

Cost: \$105.00

What to bring: Water bottle and snack, camera is needed (DSLR preferred)

Afternoon - 1:00-4:00

Crafters Station (K-5th)

If you love crafts, this camp is for you! This week, we will be doing lots of them -- DIY projects, kits, and create-your-own! We will have tons of fun this week making and creating. We will have different themed days where you can bring items from home to contribute to our in-class projects.

Cost: \$100.00

What to bring: water bottle and snack - "play" clothes are suggested!

Treats and Eats! (2nd-6th)

This week we're going to be eatin' good! We'll make yummy treats and delicious snacks for you to enjoy at camp, or take home. Learn to make snacks you can pack for school, dinners you can help mom and dad make, and desserts your family will love! Campers will take home a cookbook at the end of the week to recreate these "good eats" for their friends and family.

Cost: \$100.00

What to bring: water bottle and snack - "play" clothes are suggested as we will be working with some messy materials!

Study Skills (6th-8th)

Study Skills Camp focuses on several areas to help students achieve success in the upcoming school year. While emphasizing the importance of organization, students will learn helpful tips to boost their reading comprehension, test-taking skills, note-taking, and time management. Each student will receive their own notebook and planners for emphasizing organization and time management skills. We will learn how to tackle studying using memory and mnemonic skills, while discovering strategies that work best for all learning types. We will identify key information from lessons and passages, putting them into helpful notes.. Lastly, students will learn a few tips on how to prepare for tests in a way that makes them feel relaxed and confident for the test ahead. We hope that after this camp, your student will be that much more successful in their next year of school!

Cost: \$95.00

What to bring: Water bottle and snack

Animal Explorers (K-5)

If you love animals, then this camp is for you! All week, we will be learning about different animals around the world and how they live. We'll go on "safaris" and "expeditions" to discover some of the most extinct animals in the world. Campers will participate in animal activities like games, crafts, and much more!
