

WAKE
CHRISTIAN ACADEMY

Middle School

The middle school program at Wake Christian Academy helps students develop strong study habits, master key academic skills, make good social choices, and grow in Biblical knowledge. Successfully navigating these key areas during the middle school years helps create a strong foundation for a successful high school experience.

Prepared for High School

Students at Wake Christian leave middle school with a solid academic footing needed for a rigorous high school curriculum. Core subjects include math, language arts, science, history, and Bible. For students who may need extra one-on-one attention, the curriculum assistance program equips middle schoolers with tools and resources to ensure a deep understanding of the material.

Growth Opportunities

Middle school is often the time children discover a new talent or passion. Students have ample opportunities to explore gifts and interests through a wide variety of elective subjects, artistic opportunities, and athletic programs.

Fine arts courses include:

- Art
- Band
- Orchestra
- Chorus
- Handbells
- Drama

Other electives offered are:

- Broadcast journalism
- Engineering
- Forensics
- Robotics
- Yearbook

Sports programs at the middle school level include:

- Soccer
- Tennis
- Volleyball
- Basketball
- Cheer
- Swim
- Baseball
- Softball
- Cross country
- Football
- Golf
- Track and field

Biblical Wisdom

Students gain practical Biblical wisdom every day. All subjects are taught from a Christian worldview and daily Bible studies help students dive deep into the Word of God. Our teachers model Christian attitudes and create opportunities for students to practice these values.

A Culture of Respect

Middle schoolers learn respect for other students and adults, and we take an active and accountable approach to resolving conflicts and preventing bullying. Our programs are designed to help students build new friendships, develop mature perspectives, and use practical Biblical advice to resolve interpersonal conflict.

Taking care of our children physically, spiritually and academically daily is something I would fall short on, but thanks to the gifts God gave our teachers, and the fact that they choose to act on those gifts, my child flourishes. Thanks to all the administrative staff as well.

You guys smile and joke and make friends with our children, and it means so much to them...and to me!

- Brian and Melissa Lowman
